

CONNECT CARE MyChart

Patient & Family Benefits

What does this mean for me?

I NEED TO FOLLOW UP ON MY
LAB RESULTS BUT I DON'T
HAVE TIME TO SCHEDULE AN
APPOINTMENT.

I'M OVERWHELMED
KEEPING TRACK OF
MY HEALTHCARE
INFORMATION

With MyChart:

I will be able to see many of my lab results.

I will be able to review my care plan.

I will be able to message my healthcare team if I have questions about my medication.

I will spend less time repeating my healthcare history at visits because my healthcare provider will have my information available at their fingertips.

I will be able to review my healthcare visit history.

I will receive alerts reminding me to schedule appointments.

I will be able to book some of my appointments at my convenience.

Our Executive Sponsors are Dr. Francois Belanger, Sean Chilton and Deb Rhodes.
